

Dear Hiring Manager,

Application for 2022 TALENT POOL RECRUITMENT PROGRAMME - MEDICAL LABORATORY SCIENTISTS (EARLY CAREER PROFESSIONALS)

I was very excited to see the vacancy for the post of Medical Laboratory Scientists, which was advertised, I am a graduate of Biochemistry (M.Sc) at the university of Lagos, Akoka- Yaba (UNILAG), With a (B.Ss) Biochemistry in the Olabisi Onabanjo University(O.O.U), who is trained on environmental, health and safety.

I have an ability to grow with a job, handle responsibility and build positive relationships with work colleagues at all levels. My former employers were very satisfied with my work rate, and I am confident that I can bring the same level of high performance to your company.

Beyond that which is already mentioned in my attached resume, I am someone who knows how to set goals and achieve them, and have a proven track record of being able to conceive, develop & execute strategies. I feel certain that my strong influencing and teamwork skills coupled with my ability to communicate well will be of immediate value to your company.

I very much hope that you will look favorably upon my application by recognizing my enthusiasm, talents and my future potential. I would dearly like to further discuss the scope of this position, with you in person, and would welcome the chance of an interview.

Thank you in advance for your time and consideration.

Yours Faithfully,

Adebanjo Olaide F.
